Yangarra Estate origins date back to 1946 when the property was known as Lalla Rookh, with plantings of unirrigated bush vine Grenache. In 2001, the Jackson Family Wines, purchased Yangarra Estate and established it as a leading producer of Southern Rhône varieties, particularly Grenache.

'High Sands vineyard' a single block of old-vine Grenache planted in 1946, holds a significant place in Yangarra Estate's history and the region's Grenache heritage.

"Armagh" The name was bestowed by the original Irish settlers who arrived in Clare Valley in 1849. Jim and Nancy Barry purchased 28 hectares of land from Duncan McRae Wood in 1964 which then would become the Armagh vineyard. In 1983 Peter Barry visits Bordeaux and completes his first vintage in France. On his return, Peter convinces the family to create a single vineyard, aspirational wine that will become the family winery's flagship shiraz.

AMorris of Rutherglen have been making world renowned fortified wines in the Victorian wine region of Rutherglen since 1859. The Morris Whisky's story goes back to 2016 when the subsidiary company, Copper & Grain Distilling Co. was formed.

All the Whisky's matured in quite an assortment of casks, namely American and French oak ex-Shiraz and ex-Cabernet red wine barrels. The Signature then takes ex-fortified barrels. The Muscat Barrel, not surprisingly, is finished in Morris' own Muscat barrels.
